

Report to the Kentucky Library Association Board
President
Louisville, Kentucky
September 11, 2013

I have completed my articles for both Kentucky Libraries and IN-FOC-US. I had the pleasure of attending the American Library Association Annual Conference in Chicago. While I was unable to attend the KASL Summer Refresher, I did attend the board meeting in Louisville.

I have continued to work with the Executive Board and KPLA in efforts related to the lawsuits in Northern Kentucky.

We have received our first check just over \$8,000 for the scholarships from the sale of license plates. Linda Kompanik organized this effort and provided the leadership and commitment to make this ongoing scholarship possible.

Respectfully submitted,

Lisa R. Rice
President
